Mr. Edmund F. Mansure
Administrator
General Services Administration
Washington 25, D. C.

Dear Mr. Mansure:

The following comments are submitted in response to your letter to the Director of Central Intelligence dated 4 November 1954 regarding proposed changes of forms for bonds in connection with Government contracts. The comments are listed in the same order as the proposed changes.

1. Rate and premium data reflected on the bond forms should be continued. While this data does not appear to be necessary, the information is desirable.

2. We concur in the proposed change.

3. Additional clarifying instruction is deemed necessary.

We appreciate the opportunity you have given us to review these proposed changes.

Very truly yours,

/s/

L. K. White
Deputy Director
